# FORWARD

**W**E have enjoyed the privilege of representing our school in the presentation of this book. In the past months we have planned for it, worked for it, lived with it. Now we present it to you; the words, the pictures, the clean white pages. In themselves they mean nothing. It is only your associations, your memories, which can increase their value immeasurably.

## Senior Review

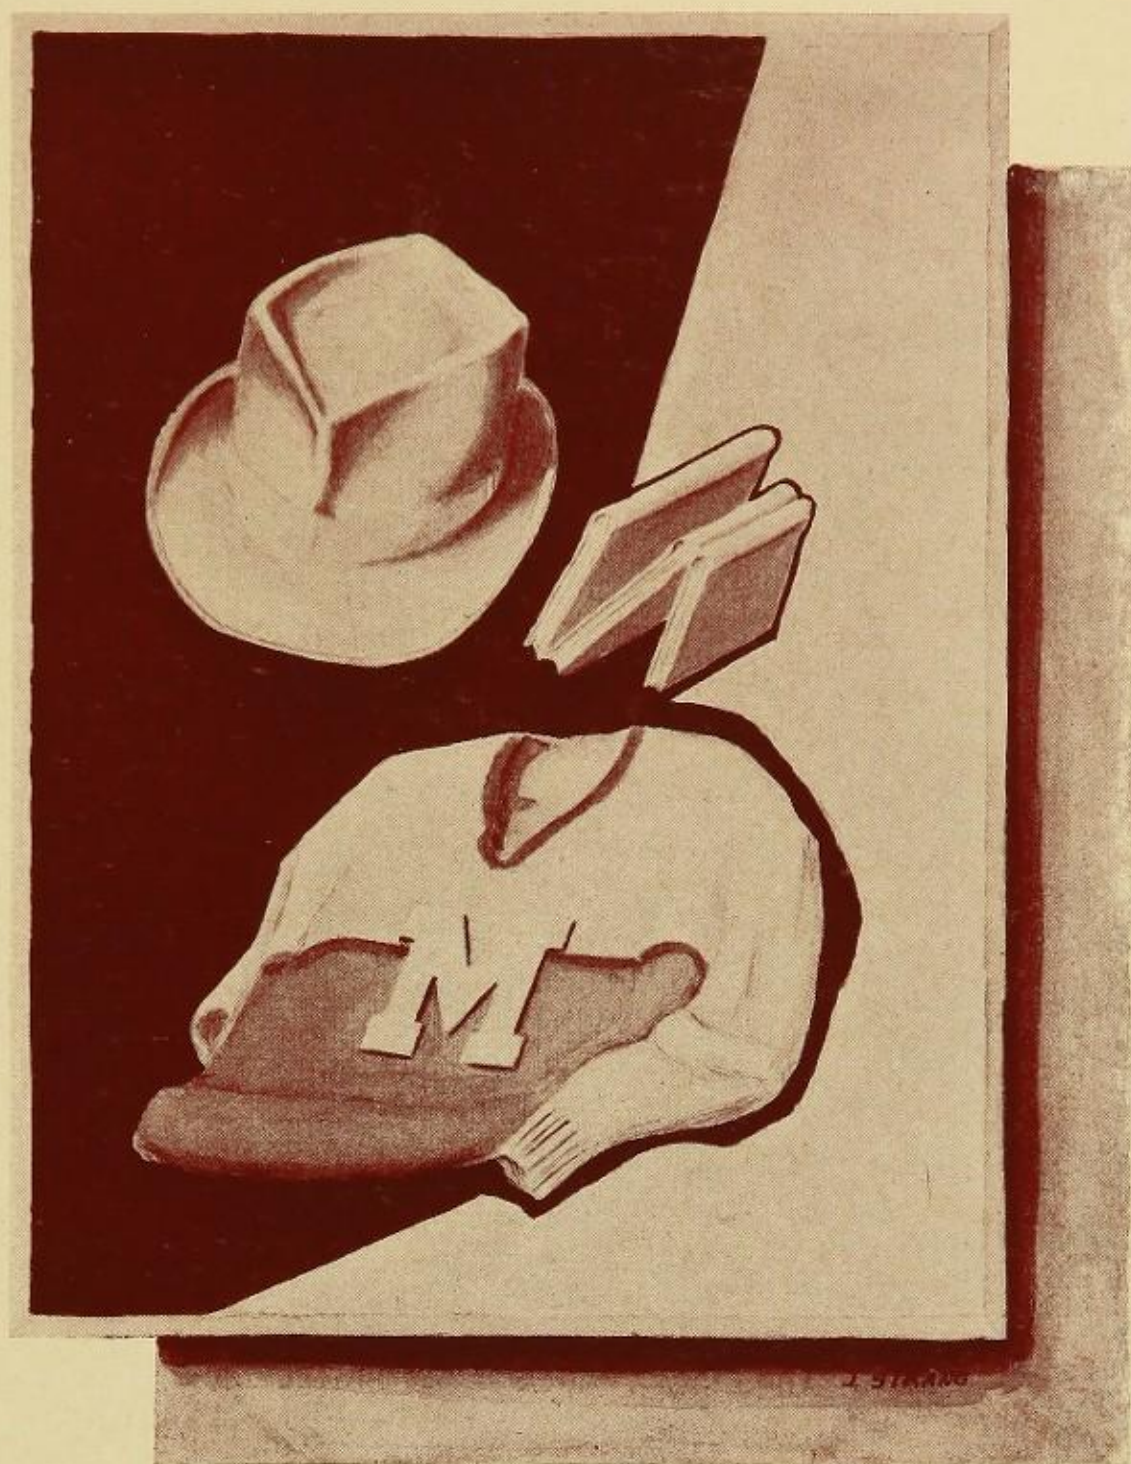

*Officers*—Bolton Strauch, *president*; Joseph Boop, *vice-president*; Kathryn Jones, *secretary*; Dorothy Petit, *treasurer*.

*Parties*—For the first party of the year the seniors enjoyed a Halloween gathering. The highlight of this event was the “Punkin’ Hollow Medicine Show.” In February good Saint Valentine ruled, as the seniors frolicked and danced. Not to be forgotten is the program, the “Stage craft Follies,” presented by said organization. For the third party in April a spring theme was used.

*Accomplishments*—presenting an excellent class play “The Trail of the Lonesome Pine,” and a highly successful operetta, “The Chimes of Normandy,” participating in debate and public speaking tournaments, publishing a school paper, excelling in football, basketball, golf, and tennis, and giving musically inclined students a chance to become members of the orchestra, band or the choral club.

## T o u r n a m e n t

For the first time in four years, Canton McKinley failed to send a team to the state finals in the basketball elimination held at Columbus.

Captain Tip Lockhard sank the winning basket in the first game when the "sudden death" rule was invoked in an overtime period in the game with Springfield Township. The score was 29 to 27 in favor of the Bulldogs.

Playing tight defensive ball, but still weak in their offensive attack, the Bulldogs won a hard fought game from Youngstown South by a score of 17 to 14, in their second encounter. Athy Garrison played fine defensive ball, while Roy Sheil was high point man with five points.

In the district finals, the Bulldogs were handed a 28 to 18 defeat by the strong Akron Buchtel Griffins. The Bulldogs went down fighting, but were unable to hit the basket. Playing his last game for the Red and Black, Roy Sheil, stellar guard, turned in an outstanding performance by holding Chuck Garbett, one of the finest players in the Akron district, to three fielders and five goals.

## **A Queen of Ancient Times could not command such service . . . . .**

The opulence of the Orient, the glamour and luxuries of the East, fawning courtiers and servants who came at the clap of hands were all part of an olden Queen's life. Yet Mrs. Average Housewife today can command instant service from a train of ELECTric servants, the like of whose speed and efficiency those ancient monarchs never dreamed.

For approximately 8 cents a day, the average residential consumer can buy the services of many faithful, efficient, modern servants. Is there any bigger bargain in your household budget today?
